

The 35th European-Japanese Christian Conference
Hosted by Edinburgh Japanese Church
Edinburgh, UK **2nd Newsletter (January, 2018)**

Conference Theme:

The Christian's Transformation and Growth in Faith

“be transformed by the renewing of your mind”

(Romans 12:2/ NIV)

“Give me Scotland, or I die!”——this is the prayer uttered by John Knox (1510-1572), who left an enormous legacy in the history of the Church in Scotland. This year, our annual “Tsudoi” (the European-Japanese Christian Conference) will be held in Edinburgh, the beautiful capital of Scotland—the city where the legacy of the Presbyterian Church of Scotland founded by Knox still lives: St Giles Cathedral, for example, where Knox passionately preached about the necessity to be transformed by the Word of God and to grow in faith.

Nowadays, Edinburgh in August attracts artists from all over the world for its annual international festival/fringe. In the noises of the excited crowds enjoying the festival, the memory of the great reformer, who spoke the Word of God courageously to defend the faith, seems to be fading away. We pray that this conference will help our transformation and growth in Christ by reviving the flame in our souls while following the footsteps of John Knox.

The City of Edinburgh, Festival, Fringe

We are not organizing any optional tour after the conference, but we recommend that you take some days before or after the conference to make the most of your stay in Edinburgh. Edinburgh is the capital of Scotland, whose beautiful cityscape has been officially recognized by the UNESCO as a world heritage. Edinburgh has many historically important buildings such as Edinburgh Castle, Holyrood Palace (Queen's official residence in Scotland), St Giles Cathedral where John Knox used to preach, and John Knox House just some steps away from the Cathedral. Also, Edinburgh has been associated with many important figures in history and culture from Philosopher David Hume, Economist Adam Smith, Sir Arthur Conan Doyle, to J.K. Rowling in our age, just to name a few, and you can visit many places connected with these famous figures. Also, in August, Edinburgh hosts the internationally acclaimed festival and “fringe”, so the entire city will welcome various artists and audiences from all over the world. We
